

Vote for High Hopes!

We need your help! High Hopes has once again been selected to participate in Essex Savings Bank's Community Investment Program! If you are an Essex Savings Bank customer, please cast your vote between February 1 and March 15 for High Hopes Therapeutic Riding, Inc.

Each year, the bank donates 10% of its after tax net income to non-profit organizations located within its service area. As an approved participant, High Hopes will receive a portion of the available funds based on the preferences of Essex Savings Bank customers, and the number of votes we receive.

Last year, because of your votes, High Hopes:

- Placed third out of over 83 non-profit organizations
- Received \$3,296 for much needed scholarship funding

Help High Hopes raise even more scholarship funds this year, and encourage your friends and family members to vote for High Hopes too. Thank you for your continued support!

Sincerely,

Cheryl K. Heffernan
Chairman

Kitty Stalsburg
Executive Director

Ballots are available at our front desk or
at any Essex Savings Bank branch.
